

WARNINGS AND PRECAUTIONS

This product is considered as Non-Hazardous
Do not eat, drink or smoke while using this product
WASH AFTER USE

H303, H313, H333: May be harmful if swallowed, in contact with skin and inhaled.
H320: May cause eye irritation.
P102: Keep out of reach of children.
P280: Wear protective gloves/face protection/protective clothing.
P301+P312: IF SWALLOWED: Call a poison centre/doctor if you feel unwell.
P302+P352: If on skin, wash with plenty of water.
P305+P351+P338: If in eyes, rinse cautiously with water for several minutes.
Remove contact lenses if present and easy to do so. Continue rinsing.
P330: If in mouth, rinse mouth with plenty of water.
P337+P313: If eye irritation persists: Get medical attention.
P403+ P233: Store in a well-ventilated place. Keep container tightly closed.
P405: Store locked up.
P501: Dispose of content/container in accordance to local regulations.

FIRST AID MEASURES

INHALATION: If experiencing respiratory symptoms, treat symptomatically. Remove patient from source of exposure and move to fresh air. Keep patient calm. If breathing difficulties develop, aid breathing and seek immediate medical attention. In case of unconsciousness, place patient on side position for transportation. Call a POISON CENTER/doctor.

EYES: Treat symptomatically. Direct contact with eyes can cause slight irritation. Remove any contact lenses. Rinse eyes immediately with plenty of clean water for at least 15 minutes. Hold eyelids apart while flushing.

SKIN: Treat symptomatically. Prolonged or repeated contact can cause slight irritation. Remove contaminated clothing and take a shower. Wash affected areas (skin) with plenty of soap and water. If skin irritation occurs: Get medical attention.

INGESTION: Product is harmless if swallowed in small amounts. Rinse mouth immediately. Drink plenty of water. Provide fresh air. Seek medical attention.

HANDLING AND STORAGE

Safe handling: Ensure thorough ventilation of stores and work areas.

Advice on protection against fire and explosion: The substance does not initiate an exothermic reaction under test conditions, not self-igniting. After drying, keep away from open fire sources and sparks.

Safe storage: Store in original container. Containers should be stored and tightly sealed in a cool, dry place, between 5-35 °C. Protect from freezing. Avoid prolonged storage of opened containers.

Disposal of used containers: Invert empty container and allow draining until flow has stopped. Dispose of in a licensed facility. Crushing, puncturing or other means to prevent unauthorized use of used containers, is recommended.

GENERAL

Amarillo does not dry and is not washed away by water. Undercover, **Amarillo** remains sticky for 3-6 months. In open areas or when exposed to heavy dust, **Amarillo** will lose its stickiness faster. The sticky surface can be renewed by applying another layer of **Amarillo** over the previous layer. **Amarillo** does not contain organic solvents or pesticides.

DIRECTIONS FOR USE

(Use only as directed)

- Apply **80 – 100 ml per m²** by spraying (**Teejet nozzle 8003**), brushing or rolling on polyethylene sheets stretched between poles, or any smooth surface.
- Do not add water. The product is ready to use.
- **Clean application equipment immediately** after use with soap and water. **Do not leave product in spray equipment.**

PRECAUTIONS

- Avoid product inhalation.
- Avoid spraying into the wind.
- Do not spray above shoulder height.

ALGEMEEN

Amarillo word nie droog nie en word nie deur water afgewas nie. **Amarillo** bly klewerig onder-dak vir 3-6 maande. In oop gebiede, of wanneer blootgestel aan 'n swaar stof lading, sal **Amarillo** vinniger sy klewerigheid verloor. Die taai oppervlak kan hernu word deur die aanwending van nog 'n laag **Amarillo** oor die vorige laag. **Amarillo** bevat nie organiese oplosmiddels of plaagdoeders nie.

GEBRUIKSAANWYSINGS

(Gebruik slegs soos aangedui)

- Dien **80 – 100 ml per m²** toe met 'n spuit (**Teejet nozzle 8003**), kwas of roller op poliëtileen velle gespan tussen pale, of op enige ander gladde oppervlak.
- Moenie water byvoeg nie, produk is reeds reg vir gebruik.
- **Maak toerusting onmiddellik skoon** met seep en water na gebruik. **Moenie produk in spuitapparaat laat staan nie.**

VOORSORGMATREËLS

- Verhoed inaseming van produk.
- Verhoed spuit aanwending onder winderige toestande.
- Moenie bo skouer hoogte spuit nie.
