 Product code: TKGRE650.10

### INGREDIENTS

Kannar TurfKARE™ Green 650 v1.0.

High performance turf colorant for enhancing appearance of turf.

### REGULATORY

40 CFR 180.920.

#### WARNING!

Causes serious eye irritation. Causes skin irritation.

Wash hands thoroughly after handling. Wear eye protection/face protection. Wear protective gloves. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. If on skin: Wash with plenty of water. If skin irritation occurs: Get medical advice/attention. Take off contaminated clothing and wash it before reuse.

This product contains chemicals known to the State of California to cause cancer.

100% of the mixture consists of ingredient(s) of unknown acute toxicity.

**BEFORE USING THIS PRODUCT, READ ALL PRECAUTIONS, DIRECTIONS FOR USE, CONDITIONS OF SALE – LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES.**

### DIRECTIONS FOR USE

1. **MIX WELL BEFORE USE!**
2. Fill tank with half to two thirds of required water. Maintain agitation while mixing.
3. Add any pesticides to mixture.
4. Add remaining water & TurfKARE™ product(s).
5. Always follow the manufacturer's labels for any additional material mixed with this product.
6. Treat a small, inconspicuous area to verify desired application rate.

### RECOMMENDED RATE

**Turf** - To treat one acre of turf, add four to five gallons of TurfKARE™ Green 650 in 50 gallons of water. Apply to one acre (43,560 square feet). This is a super concentrate – only one pass may be needed. Vary amount of water to achieve desired color once applied.

Various factors will influence your application rate decision. We recommend a ladder study with varied amounts of TurfKARE™.

Visit KannarGroup.com for additional guidance.

**Divot Mix Sand** - Mix five fluid ounces of TurfKARE™ Green 650 with ten fluid ounces of water. Spray over one hundred pounds of sand while mixing in a cement-type mixer. Allow sand to dry on vibratory table prior to use.

### STORAGE AND DISPOSAL

#### PROTECT FROM FREEZING!

1. **PRODUCT DISPOSAL:** Other products mixed with this product must be handled in compliance with the manufacturer's instructions on the label. Any waste slurry or rinseate must be disposed of in accordance with local regulations.
2. **GENERAL:** Store indoors in original container only & keep product sealed.

### FOR BEST RESULTS

1. Store and use between 45 and 85 degrees Fahrenheit.
2. Cut turf to desired height before application.
3. When using on centrifugal pumps, rely on Teflon-type seals to aid prevention of leaks.
4. Use flat fan spray nozzles and cover leaf blade completely with fine particle-size droplets relying on low to medium pressure.
5. To avoid permanent stains, immediately rinse any undesired overspray with water.
6. Rinse spray tank and all nozzles immediately after use.

**CONTAINER DISPOSAL:** Offer for recycling.

### CONDITIONS OF SALE/LIMITATION OF LIABILITY

KANNAR MAKES NO WARRANTIES REGARDING THIS PRODUCT, EXPRESSLY DISCLAIM ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. KANNAR'S LIABILITY FOR ANY CLAIM SHALL NOT EXCEED THE PRODUCT PURCHASE PRICE.
