PRODUCT INFORMATION

FULL PRODUCT NAME:	OrganoPrime
BRIEF PRODUCT DESCRIPTION:	Organic Cleaner & Degreaser
AVAILBALE PACK SIZE/S:	1L (Ready-to-Use Trigger Spray Bottle), 5L & 20L
FULL PRODUCT DESCRIPTION:	OrganoPrime is an environmentally responsible, heavy-duty, all-purpose organic cleaning agent and degreaser. The substance is a powerful, fully bio-degradable, water-based detergent soap developed for tough jobs on surfaces which are not damaged by water. OrganoPrime is multi-purpose and is capable of removing bio-film, carbon, oil, greasy soils, as well as organic and in-organic stains. The uniquid food-safe formula makes it suitable for use in any food processing environment, such as industrial kitchens, restaurants, butcheries and/or abattoirs, among many others for removing dirt, greasy fats, waxes or general grime.
ACTIVE INGREDIENT/S:	<ul style="list-style-type: none"> Specialised mild natural soap/detergent containing a synergistic blend of sequestrants, solubilisers and stabilizers (pH 9-10).
APPLICATION RATE/S:	<ul style="list-style-type: none"> Ready-to-Use > for heavy-duty, initial cleaning or shock treatment. 1:1 > medium dilution for intermediate or monthly cleaning. 1:3 > light dilution for regular or weekly cleaning. 1:9 > extra-light dilution for window/glass cleaning.
UNIQUE SELLING POINTS:	<ul style="list-style-type: none"> Organic Solution. Environmentally Friendly & Responsible. 100% Bio-Degradable. Causes Zero Impact on the Environment. Provides Industrial Strength Cleaning. User-friendly & Non-Toxic. Ideal for: Domestic, Commercial & Industrial Kitchens, Restaurants & Shops, Food Processing Facilities (such as butcheries and abattoirs), Machine Workshops & Auto Repair Shops, Agricultural Facilities (such as farming environments: piggeries, dairy farms, poultry farms, and equestrian centers). Cost effective & Highly Efficient. Removes Bio-Film (a highly protective coating on harmful bacteria and viruses).
EFFECTICE AGAINST:	<ul style="list-style-type: none"> Grease. Dirt & Grime (organic and in-organic stains). Bio-Flim.
